

Richard the final conclusion is this: the maxime of our company is act quickly because it is important, be creative, I **think** you should do that, and never give up, never **sink** that you are **thinking**, sank you!

Clara **sinking!** ((laughing))

Sylvain **thinking or sinking?**

Richard sank you

Clara what does it mean **sinking**? ((turning towards Richard))

Marie what does it mean **sinking**? ((looking at Marie))

Richard **couler!** oooh

Clara **couler!** oooh

Marie ah! voilà ((laughing))

What do you think about  
joking in franglais?
